Dear Sir,

In reply to your letter of the 10th. inst. I beg to state that I have known Mr. S. A. F. Bowen well for some time. He is also known to me as a worshipper at my church. He is a fine young fellow, capable and straightforward. He has very good intellectual powers and has done very well at school. He is quite able to read for honours, especially in Geography. He has good athletic ability and you will possibly have heard from the headmaster at Almondbury of his prowess in that respect. He mixes well and converses well and no doubt will contribute his share to the well-being of the Collegiate Institution. He bears an excellent moral character and is well respected.

Yours faithfully,

G. Howard Vicar.

Dear Sir,

You will never regret it if you admit Bowen to your Hall of Residence. He is a fine fellow & has a distinct personality.

As regards your particular points

- (1) He should do well in the Honours School of Geography.
- (2) He is very keen on games without showing any great distinction.

He is a good "mixer" & has many social qualities. He would soon make a mark in the Communal life.

- (3) His moral character is of the highest.

I recommend him: without reservation

I think you have had several of my
trays in recent years. Bower is well up
to the standard.

Yours truly
Robert J. Bower

Dear Sir,

I have received excellent testimonials regarding your nephew, Mr. S.A.F. Bowen, and I have pleasure in offering him a vacancy at this Hall for next Session. On receipt of the Entrance Deposit of £1 (which is returnable by deduction from the first term's fees) a place will be finally reserved for him.

Term will begin on October 6th., and meanwhile I shall be glad to answer any questions concerning your nephew's university career. If either you or he are in the neighbourhood of Manchester, I should be pleased to see you here, and to have a talk.

Yours very truly,

Warden.

Dear Sir

I beg to return thanks for your kind letter received, and am glad that you found my nephews - S & J Bowen - testimonials satisfactory. I trust that on acquaintance you will find him desirable and to give you pleasure in his conduct.

Enclosed please find cheque £1 - deposit as requested.

I appreciate your invitation to call on you when in Manchester and hope to do so ere long.

Yours truly

S. R. Wilton.

February 3rd. 1939.

Mr. S.A.P. Bowen has been in residence at this Hall since October 1936. His work has been disappointing, and owing to insufficient progress in his studies, Mr. Bowen has failed to maintain his place in the Honours School of Geography. He has been in receipt of grants from the Board of Education under the Government scheme for the training of teachers; but has now decided that he does not wish to teach if an alternative career can be found.

Mr. Bowen has an affable manner, and a fairly ingenious mind. His general conduct at the Hall has been satisfactory, and I should think that he might do quite good work in any occupation which was sufficiently congenial to hold his interest.

Warden.

July 10th. 1939.

Dear Mr. Wilton,

I have been holding up the enclosed account for the lent term in the hopes of being able to ascertain whether the Board of Education grant in respect of that term (credited on the last Hall account), would be payable to us or not. Unfortunately there still seems some doubt on the matter, so we shall have to let it stand over for the present; meanwhile I should be grateful if you would kindly let me have the amount of the enclosed account before the end of the month, as this is the close of our financial year.

I was very glad to learn of Stanley's success in getting accepted for the Royal Air Force. I hope that he will have a happy and profitable career in the Service.

With kind regards,

Yours sincerely,

Warden.
