183 YORKSHIRE STREET,

ROCHDALE.

4 February 1954

Dear Preston,

I am stimulated into writing by a red ink tick on your Old Members' letter. I do not see my way to attend the Reunion and I very much doubt if I shall do so in the next year or two, but I should hate to be altogether out of touch. I therefore send a contribution for "Floreat" with my good wishes to you in all your efforts.

Yours sincerely,

E. Ollershaw
