THE RECTORY,

SPITALFIELDS, E.1.

Wednesday April 13th 1949

Dear Mr Lawrenson,

Many thanks for the invitation to the Reunion, I doubt whether I should know anyone, as the number of students in my short stay was very small, and I can account for four of them as not being present. However, had the circumstances been favourable I would have returned to the old place, but it so happens that I hope to be at Pontresina in the Engadine that weekend. Of course a Sunday is always difficult in these curateless days.

I am, Yours sincerely,

20-23

T.C. Ralph
