The Warden,

Dear Sir,

I have delayed sending
my application in the hope
of receiving definite news from
the University as to my
acceptance or rejection, but as
yet none has arrived. I
have written to the Registrar
and am hoping to get a
reply soon.

Feeling sure that you will
understand my predicament, I
remain,

Yours sincerely,

Walter H. Bleby.

Dear Sir,

I enclose a copy of a letter which I sent to Professor Duff in October last. I think that it covers the points which you mention. I feel quite happy in recommending Mr. Bleby.

Yours faithfully,

Head Master.

The University,
Manchester.

PRIVATE and CONFIDENTIAL.

Dear Sir,

W.H.Bleby.

I can recommend W.H.Bleby very strongly for admission to your department. Academically he has sound ability. I should expect him to get a second class Honours degree. He took a prominent part in School Games, and had his first XI colours for Cricket and Hockey, and showed promise as an athlete. He was also a School Praepositor, and Sergeant-Major of the O.T.C.

He proposes to enter the teaching profession from choice and, as you are no doubt aware, intends to devote himself to teaching the deaf and dumb. He made quite a good School Official. At present he may be a little conceited and lacking in tact, but I do not think that there is any doubt as to his essential soundness. He is a boy of marked personality, who should become a good School Master.

Yours faithfully,

Head Master.

Dear Sir,

I enclose a P/O value £1-0-0 for
reservation of rooms at St. Anselm's Hall.
I hope, if all goes well, to take up
residence in October.

Would you please inform me if there
are any Hall or University regulations
relating to the possession & use of motor-cycles?

Yours sincerely,

Walter H. Bleby.

Dear Sir,

Owing to the present emergency I have been forced to fulfil my obligations and am enlisted in the R.A.F. In consequence I shall not be returning to Hall this session, and am therefore returning the bill I received for next term's fees.

Until such time as the Germans cease from troubling, and Hitler is at rest,

I remain,

Yours sincerely,

Walter H. Bleby.

The Warden,
