Dear Sir,

Thank you for your enquiry about St. Anselm's Hall.

I enclose a Prospectus and Application Form; if you wish to enter this Hall in October of next year kindly fill up the form and return it to me at your convenience. You will notice that this is a Church of England hostel and members of other religious bodies can only be accepted as vacancies permit.

If there are any questions you wish to ask, please do not hesitate to write again; I shall be glad to be of use to you.

I am,

Yours very truly,

Mr. Ernest Duglass,

I have much pleasure in recommending Ernest Bayliss in every way.

He has shown consistent ability all through his Secondary School work - generally right at the top of the form & passed into the Sixth under the average age. He works very steadily at home, has good brains & should I think do excellently.

He is a good sportsman - playing not only for his school but for the best teams - a good allround man - & likely to settle down well.

A very regular communicant - a clean lad of good ideals & with strength of character.

Ernest Buggess is a boy of good ability, who should be able to read an Honour school with profit.

He is a good athlete, captain of the School and Senior Prefect. & has good personal qualities, such as will give him a good influence & enable him to live happily among his fellows at College, & contribute to their general well-being.

His moral character is impeccable.

Dear Sir

I have no hesitation in recommending Mr E. Buglass for admission to your Hall of Residence.

(1) He is a good steady worker, of good average ability, and should do well.

(2) He is particularly good at sports - especially at Football. [The local Press in spite of your efforts - has made quite a hero of him, but it has left him quite unspoiled.]

(3) His moral character is very good & he has made a real good School Captain. His Vicar was hoping some time ago that he would read for Holy Orders, but he (Buglass) now seems bent on Teaching.

Yours sincerely,

Dear Sir,

Please forward to the above address  
any necessary application forms for the  
Hall Scholarships held in May 1929. I  
have with me at present the application forms  
for the University Entrance Scholarships, which  
I hope to take in May, & as such a course  
would necessitate staying several days at  
Manchester, I would like to tender an  
application for residence at St. Asaelm's  
Hall, during the Exam period.

I remain

Yours Truly  
Ernest Buglass.

MANCHESTER.

Dear Mr. Foglass,

You will not need any application form for our scholarship; I have already entered you for it, so that is in order. But in sending in your University entrance form, you must state, on the form, that you are also a candidate for St. Anselm's Hall scholarships.

Our examination consists of an English Essay, a General Paper, and an interview. The date of these is arranged for at some convenient time during the University examination, and due notice will be given to you about it.

I am doubtful of being able to put you up during the time that you will be in Manchester; we are as full as we can be at present; but if you will write to me again about the end of March, I shall know better how I shall be placed for accommodation at the time that you would require it.

Yours very truly,

Dear Mr. Armytage,

A student, E. Buglass, who is in my 3rd. Year Honours class has not put in an appearance for some time. I wrote to him to ask him to come and see me but he has not turned up. I believe he is in St. Anselms Hall and thought I had better write to you to find out what has happened to him. We have not had any notice of his being excused from lectures and he has not qualified by attending the requisite number during the term. Could you let me know what has happened to him?

Yours sincerely,

W. L. R. Raff.

Dear Professor Dragg

I am sorry to read what you tell me of E. Duglass. I had no idea that he had been cutting lectures, and there is no reason at all why he should have done so. I have been afraid that he has been slacking all the term. He has certainly not been doing nearly as much work as most men do when they are as near their Finals as he is. He has no excuse so far as I know, certainly not on the ground of health for he has played Soccer regularly throughout the term.

I have not been altogether satisfied with him on general grounds for some little time past, but it has all been too intangible to enable me to take any action, and I had hoped that I might be mistaken. However it seems that I was right after all.

Yours sincerely,
