Dear Mr. Clayton,

I was glad to receive your application for admission to this Hall, and have written to the two gentlemen whose names you gave as referees. In addition to taking up the references, however, we generally find it to more satisfactory from both points of view if we can arrange an interview with our entrance candidates; and I should therefore be glad if you could arrange to come over and see us here one day. I could see you on Friday 9th, at 11 a.m. or 2 p.m., or failing that I could be free any morning in the following week. I should expect to be able to let you know the result of your application within a day or two of the interview.

Yours very truly,

My dear Warden,

Need I say more than that H. R. Clayton
is my Head Prefect, and that you will find
him as sterling a fellow in his way as
Blair or Bradbury? He is not an
athlete of any distinction, but he will
not let the Hall down in any other
way. He should take math's & Nat. Sci. Honours.

I should like to think that we are
establishing a regular connection between
this School & P. Anselm: please rest
assured that I will not recommend any
boy to you in whom I have not complete
confidence myself.

Yrs very truly,

C. F. Keeble

Dear Sir.

In reply to yours re Mr H.R. Clayton. He is a very intelligent boy & did well at school and I believe took part in all the games at school. His moral character is in my opinion eminently satisfactory & I have always found him very mannerly & of a nice disposition.

Yours faithfully
Arthur Red. Sinclair

November 17th. 1936.

Dear Clayton,

I am informed that you spent the night of Saturday October 31st. in Hall, sleeping in room No. 15, Main Building. I have therefore charged you with six shillings for one night's residence, which I imagine is what you will wish me to do. At the same time I must point out that it is quite irregular for anyone to reside in the Hall without my knowledge and permission.

A cheque for £3.1813 is enclosed, being the balance due to you from the Board of Education grant for Session 1935-36. The delay in forwarding this is due to the fact that the cheque from the Board has reached me only this morning. Kindly sign and return to me the enclosed form of receipt.

Yours truly,

Warden.

Dear Sir,

I am glad you charged me for the night I spent in Hall a few weeks ago as I was rather uncertain as to how I could tell you about it. When I came over to Manchester on the Saturday I had no idea of spending the night in town, of course had I intended to do so I should have written to you asking for permission to stay in Hall.

I hope my action did not
cause any inconvenience and I
should like to point out that
no blame should be attached
at all to any person in Hall.

I have enclosed the form
of receipt which you asked me
to return.

Thanking you for sending
the cheque with so little delay,

Yours truly,

H. R. Clayton
