Dear Sir,

Thank you for your letter of enquiry about W.M. Carruthers. He is a boy of good family, with very pleasing appearance and manner. He was elected Captain of the Rugger XV last season and a week ago set up a record in our County Inter-school Sports for javelin throwing. Intellectually he has good average ability, and ^{he} should do well in the Course in Municipal Engineering for which he is entering.

I can confidently recommend him for admission to the Hall.

Yours faithfully,

REF. _____

The Rev. The Warden,
St Anselme Hall,
Victoria Park,
MANCHESTER.14.

Reverend Sir,

I have pleasure in stating in reply to your letter of 7th instant that I believe Mr Wilfrid Carruthers is a suitable person for admission to a Collegiate Institution.

He gave early promise of intellectual ability, obtaining a County Minor Scholarship at the age of eleven. Having followed his career at the Whitehaven County Secondary School, I feel sure that he will profit by admission to an Honour School.

Mr Carruthers has shown exceptional ability in athletics. He is Captain of the Rugby 1st. eleven at the Secondary School and plays cricket with fair success. A few weeks ago, in the Cumberland Inter Secondary School Sports he broke the record for throwing the javelin.

I feel sure that having regard to his Secondary School record he is likely to settle down happily in a common life and to contribute to the general well being of his college.

His moral character is most excellent.

Yours faithfully,

Town Clerk.

Whitehaven.

I have known Mr. Wm. Carruthers since childhood & can vouch for him as a suitable candidate for a University Training. He won his way to the Secondary School through the County Minor Scholarship, & his career there has been marked with success. He matriculated on the School Certificate & Higher School Certificate Results, gaining credits in Mathematics, Physics, & French & Art. He has excelled in games. Last winter he was Captain of the Rugby XV, & at the County Secondary Sports held last month broke the record for javelin throwing. His moral character is beyond reproach.

Dear Sir,

I have received highly satisfactory replies from your referees, and I have pleasure in offering you a vacancy at this Hall for next Session. On acceptance for admission the Entrance Deposit of £1 falls due, and on receipt of this a place will be definitely reserved for you. This deposit is returnable by deduction from the first term's fees, but is forfeited by withdrawal prior to the commencement of the Session.

As you live at some distance from Manchester I do not think I need trouble you to make a special journey for the customary interview, but I should be glad to know if you are likely to be in this neighbourhood at any time, so that I could make an appointment to see you here, and show you round the Hall.

Term will begin on October 5th., and you will receive, early in September, a circular giving particulars regarding registration, and other necessary information. If there are any question you would like to ask in the meantime, please do not hesitate to write to me.

Yours very truly,

Warden.
