Dear Sir,

Mr. H.L. Bewick of whom you are
making enquiry is a old pupil of this school,
and is pleased to look to his duty & character.
At school he was captain of the School football
XI for two seasons, & was also captain of the
Cricket XI. At those games he was exceedingly good.
He was also a Prefect & discharged his duties
to my entire satisfaction. However he is a good
man, & I can recommend him unreservedly as one
who will contribute not a little to the social &
intellectual life of a Hall of Residence.

Yours faithfully,

J. S. Broome

Dear Mr Preston,

I am writing in answer to your letter addressed to the Headmaster of the Warrington Grammar School, which is no longer in existence. One member of my staff seems to remember your former student Mr H.L.Beswick being a pupil of the Secondary School here, but so far as I know no one has been in touch with him for a long time and I am afraid we cannot help you with regard to a more recent address.

Yours sincerely,

Dear Miss Taylor,

I am much obliged to you for trying to answer my query about Mr. Beswick. Has any other school taken over the place of Warrington Grammar School and with it the records of its pupils? If so, I would be most grateful if you could put me in touch with it.

Yours sincerely,

My dear Headmaster,

I am trying to trace the address of an old member of Hall, and of your school, named H.L. Beswick, who graduated in 1936 and then read the Teachers Diploma. A letter to him addressed to 70 Amelia St. Warrington has just been returned marked "gone away, no forwarding address available". I wonder if you could throw any light upon it.

Yours sincerely,

FLORENT

Dear Dicky. I think I'm right and I certainly do hope so when I evoke your name through the mist of time - well any way it was some 17 summers ago.

I had a letter the other day from St. Anselm warden who, with tongue in cheek told me he had secured my address through the kind help of the H.M. of the High School for Girls at Warrington. Such are the fruits of reorganisation - but thank goodness I'm so far away that I'll never have to live it down.

I took the King's shilling and came unscathed through the war except for a cartilage operation (the knee was

originally damaged playing soccer for Anselm!!)
and since then I've rusticated here in
the most beautiful countryside as the village
schoolmaster — complete with pigs poultry and
garden, now my enthusiasms.

I would certainly like to receive
Floreat if you publish and also to
attend the reunion but whether or not this
will be possible I can't say so far in
advance. The reply slips mentioned by the
Warden in his letter didn't turn up — I
expect they came adrift during the meanderings
thru' the post — any how here's a modest
5/- which I hope you can accept as my
subscription towards Floreat.

I am looking forward to seeing
news of you and my 1936-37 cronies in
the issue

Regards
Sincerely Les. Beswick.

Any students for school prizes in my school
while I have a vest? It's generally agreed that
mine is the best junior school in the county!
