Rev.T.H. South.

Dear Sir,

I have written to the College of Technology, asking the permission for entrance for my son, during the 2 years higher course of the textile section. He was born in 1918, the 9th July.

If he is receiving this permission, I must find a home for him in Manchester. Will you kindly write me if in this case you have a place in your Hall?

Will you kindly give me full information, fee etc. and if possible a booklet?

Meanwhile I remain,

Yours faithfully,

J.G.H. Jordaan

Dear Sir,

In these so uncertain days it is quite impossible to leave my business for a couple of days. As soon as I see how the situation is going on, I will come over and I hope, that you can reserve a place for my son till this time. Moreover he was in the army, so that it is possible, that he has to serve again by a mobilisation, that certainly will come, when a war is going on.

With very kind regards
yours truly
