The Warden.

Dear Sir

Re Frank Burton.

I can recommend Mr Frank Burton with the utmost confidence. He is possessed of good intellectual powers & he is a hard & conscientious worker. I am sure that he will derive the utmost profit from an Honours Course, & he will be a credit to S. Austle's.

I have never seen him on the Sports Field.

He is of a very friendly nature & well respected by all who know him. He is most thoughtful & considerate in his home, & always polite & kind to all.

His moral character is of the highest possible nature. He is incapable of doing or saying anything mean or low.

Yours faithfully,
J Wesley Roome.

Dear Sir,

Frank Barton

I think you would find this boy highly satisfactory as a member of St. Austlin's Hall. He is a lad of whom I think highly, both for his intellectual ability and for his other qualities. No doubt he has supplied particulars of his performance in the Tech. Cert. of Exam. of 1927 when he obtained Exemption from Matricⁿ, and I have every confidence that he will be successful in the Higher Sch. Cert. of July this year, with English, History & French as principal subjects and Latin subsidiary. He should certainly take an Honor School Course with profit.

His athletic abilities are not remarkable, but he is of good physique & should be able to play his part. In social respects he should get on very well. He is quiet in manners & demeanour of good personal appearance. He is a School Prefect and Secretary of

of his home. He is popular with all and
a boy in whom I rely with confidence for the
proper discharge of his duties.

His character has always stood very high. I
should be very surprised if it does not stand
equally high in any sphere. In fact for
solid worth and high principles I do not
think we have anybody I should place before
Barton in the school.

Yours faithfully,
J. Schooling

Dear Sir,

I received your most welcome letter and shall be delighted to accept your offer of a vacancy in October 1929. You will find enclosed an order for £1, the sum which becomes due consequent on my accepting of your offer.

I thank you very much for your generous offer to answer my questions and shall not hesitate to avail myself of it.

I presume that I shall hear more concerning the actual room in due course. For the present, there is nothing which I particularly desire to know so, thanking you again for your offer,

I remain,

Yours faithfully

J. Barton.

Dear Sir,

Would you be so good as to give me some information which I need?

In making application for a certain grant from the County Council of the West Riding of Yorkshire I have to submit certain details of expenditure.

From "St Anselm's Hall" prospectus I have found the ordinary fees of residence; I now need to know what the incidental expenses will be. I know this is more or less a personal matter and depends on the student but I thought you would probably have an estimate of the average student's incidental expenses.

If you could give me this information I should be most grateful.

Res. D. Armytage.

Thanking you in anticipation
I remain
yours sincerely

Dear Sir,

I have pleasure in sending a subscription towards the wedding present of Dr. Winter, one who knew our late sub-warden could not do otherwise.

I am most pleased you have been able to accept the application of my brother, Eric Ruston; I would not have had him live anywhere other than at Anselm after being so happy there myself.

Hoping to see you at x-mas.

Yours faithfully

Frank Ruston.

Apologies

June 10th '49

My Dear Lawrenson,

I am most disappointed to have to write at this late hour and say that I cannot possibly be with you at the reunion on June 18th. I shall be obliged to spend the night of the 18th away from home and cannot be back before the early afternoon of Sunday.

May I venture to ask you if your replies to circulars have included one from Miles E (Birtwell) (Hans French 1931) or from John L Wood (Hans Eng. 1932). Both these former friends of mine seem

No trace at address

to have disappeared since the war.
If either should turn up in
person would you do me the
great kindness of giving them
my address.

If you are pressed for time you
could pass on any information via
Jeffrey Parkin, first year medical student
who will be coming to see me
before term-end.

May I, through you, extend
good wishes to all who will be
present at the reunion and in
particular to Canon Armytage whom
I should have been so glad to
meet again.

Very best wishes to yourself for
success in your work and happiness in
your life in hall.

Yours sincerely & very regretfully
Frank Burton.

Dear Fremlett,

May I begin by offering
congratulations on your appointment as
sub-warden; I was very pleased
to hear of it.

Many thanks for your letter of
Jan 15th. I regret to say that I
have had no success in tracing
John L Wood but M. E. Birtwell,
I am glad to say, is very much
alive and is now living at

"Flax Moss"

Whalley, Lancs.

I thought you would perhaps like
to have this address.

With best wishes,
